

Craig Crippen Benefit and Silent Auction The Navy Bistro – July 11, 2010

To Whom It May Concern:

I am writing on behalf of the Craig Crippen. On July 11, 2010 we are holding a benefit / silent auction to help raise awareness and funding for Craig's medical needs. Craig was born and raised in Northwest Ohio. He graduated from Sylvania Northview High School in 1986. He was active in our community, played hockey and actively enjoys the outdoors. Craig has dedicated many hours volunteering with organizations for the disabled and youth programs, and just last year participated in a swimming event to raise money for Hospice.

Craig has NUT midline carcinoma. It is a very rare form of upper body cancer. He and his family need our help. Any donation can make a difference. We are in need of silent auction items (we are fortunate – as someone donated their home in Colorado- the week of Christmas- great item!) Johnny Rodriguez is donating his time and musical talent during the benefit. Any monetary help towards these expenses, or other gift item for the auction, would be greatly appreciated. It will go a long way for the cause. We hope to have many incredible items to bid on during the silent auction.

In return for your generosity, the name of your company will appear on any advertisements and brochures. Auction items will be added to our blog (<http://crippenbenefit.wordpress.com>) along with the name of the donor.

Thank you for considering our request. If you have any questions or need further information, please feel free to contact Ed Dressel and/ or Chelle Zoltanski.
